The 19th-century French Clarendon, with its unorthodox reversed stress, never achieved the versatility of its Victorian siblings: the slab-serif Antique and the sans-serif Grotesque. In Trilby, David Jonathan Ross reined in this topsy-turvy style, cultivating its formal essence. Unburdened of excess ornamentation, Trilby transcends mere novelty as a wholly useful contemporary design with offbeat charm and subtle wit; FB 2009

GRUMPY WIZARD MADE THIS TOXIC BREW FOR THE EVIL QUEEN & JACK. Lazy mover quit the hard packing of papier mâché jewelry boxes. Back at my quaintest garden: jaunty zinnias vied with a flaunting phlox. Hark! 4,872 toxic jungle water vipers quietly dropped onto zebras for meals! New farm hand (picking just sixty quinces) proves strong but lazy. For just \$65, jolly housewives made “inexpensive” meals using quick-frozen vegetables. A jaded zombie, acting quaintly, kept driving the 310 oxen forward. My dear grandfather spent his days quickly carving 149 wax buzzards, mostly from junk. At my grand prix, J. Blatze was equally vilified for his funky way. **When we go back to Juarez, Mexico, will we be flying over picturesque Arizona? Pack my boxes with fifteen dozen liquor jugs.** Murky hazes enveloped a major city as big jarring quakes broke sixty-seven windows. Will Major Douglass be expected to take this true/false quiz soon? That mad
