PROFESSIONAL FONT

fontshop

A font that resembles handwriting done with a watercolor brush? Why not? Charmingly informal, Amienne is a lively brush script font that moves with a nimble rhythm. Airy and graceful without being overly feminine, Amienne is delicately rounded in all the right places. No wallflower, Amienne Bold is amply proportioned without being overweight. Amienne has full upper and lower case, regular numerals, accents, punctuation and some pretty handy arrows.

829 Professional Fonts on one Disc!

Professional Font Library includes over 820 text and display fonts in a huge variety of styles including grunge, space-age, hand-drawn, distressed, decorative, script and calligraphic, blackletter and more! Hand-crafted by font designers with full character sets, international currency and glyphs, these ultra-usable fonts are delivered in both OpenType and TrueType formats for Mac and PC. Simply put, Professional Font Library 829 is possibly the most varied and creative font collection available today.

Why so many fonts? Like people, typefaces come in all shapes and sizes and like people, each font has its own personality. With so much choice, you'll find the font with the personality to reinforce your message and positively influence the reader's opinion. Get it wrong and you will distract from your message.

Whether you're trying to convey formality, frivolity, fun or humour, there's a font to match your message in Professional Font Library 829.

AFFLUENT
 Have you lived for fifty years with your eyes shut," he cried. "But you cannot see the difference between a Bangal, married at fifteen and West (wearing a pair of ornate, savage goods, and the University-extension young Abner McHome!"

He suggested over the first time he had ever seen her that someone besides at the house, the whole incident, the story & language of the house, and while half-brain and writing time, and the incident. He was not, however, able to...
